

PLEDGE TO RESPECT

The foundation of a healthy team and community is each individual's differences and talents. Our understanding, acceptance and **RESPECT** of these differences crosses barriers of prejudice, bias and tolerance. **R**espect for myself, the team and the community is **E**xemplified by demonstrating **S**portsmanship during competition. **R**espect **P**romotes positive values and academic performance and **E**ncourages the athletes, coaches, officials, family members and spectators to **C**onduct themselves with integrity, self-control, fair play and **T**eamwork.

Today, I pledge to RESPECT: It's the Way to Play.
