HUMAN NATURE'S NATURAL TRANQUILIZER

Our children seem to be so plugged into electronics and spend most of their waking hours in structured indoor experiences that they have lost their connection to the natural world. Yet, when explored, nature has a positive and direct effect on their overall physical and mental health. It is human nature's natural tranquilizer and it's available at no cost. This session addresses the fundamental idea behind the movement "leave no child inside."

Thursday, March 16th, 2017

5:30 – 7:30pm @ Mill Swan School

Childcare available for Worcester families who register

Sponsored by: Worcester Family Partnership
