Educational Enrichment or Mind Numbing Addiction

We live in a world full of televisions, computers, tablets, smart phones, hand-held games and other mobile technologies. Making effective, appropriate, and intentional choices about the use of technology and media can be difficult and overwhelming. In this screen-saturated world, we need to ask ourselves how best to manage the quality and quantity of technology in our children's lives. This session does just that!

Thursday, January 12th, 2017

5:30 – 7:30pm @ Mill Swan School
