

# MIST 2017: Applied and Industrial Mathematics Institute for Secondary Teaching

July 17–20, 2017

WPI Campus, Salisbury Labs 104

**Have you ever been asked:**  
*What is this math good for? When will I ever use this stuff?*

In this workshop, you will learn...

- how the mathematics you teach is used by STEM professionals,
- what career paths are open to students well trained in mathematics,
- how the math you teach forms the foundation for college success.

Eligible for 30 PDP credits

To apply and for more details: [wpi.edu/+mist](http://wpi.edu/+mist)

**Sponsor:**

WPI Department of Mathematical Sciences

**Organizers:**

Luca Capogna, Mathematical Sciences, WPI

John Goulet, Mathematical Sciences, WPI

Stephan Sturm, Mathematical Sciences, WPI

Suzanne Weekes, Mathematical Sciences, WPI

For more details, contact Rhonda Podell • [ma-mist@wpi.edu](mailto:ma-mist@wpi.edu)

**The workshop is free; lunch will be provided.**
