

The Department of Elementary and Secondary Education is proud to offer a brand new WIDA professional development opportunity at no cost to districts. Details including date, time, location, PDPs, pre-requisites, and a registration link are in the attached flyer.

**WIDA: Engaging English Learners (ELs) in Science**

June 13-14, 2017

8:30 to 3:30

Devens Common Center • 31 Andrews Parkway • Devens, MA 01434

We encourage the following audience to attend: Educators who work with ELs and also teach science, English language specialists, coaches, administrators, curriculum developers, and support staff who are already familiar with the WIDA English Language Development Standards (if you are not, you can watch the online modules listed in the flyer.)

For questions or comments, please contact [fkray@doe.mass.edu](mailto:fkray@doe.mass.edu).

Thank you for your attention,

Fernanda Kray
