To Whom It May Concern,

On behalf of Digital Federal Credit Union (DCU), I am pleased to provide you with the enclosed scholarship donation check.

As a socially responsible organization, DCU is committed to partnering with other institutions, including our local schools, to help make a difference in the communities we serve. We hope that our contribution makes a difference to your students.

As discussed previously, this donation is intended for scholarships to graduating seniors in your local school(s). Many schools have chosen to divide the donation into several scholarships. Exact criteria is left to the discretion of the school district, although a good guideline is what we call the DCU Way: People come first; Do the right thing; Make a difference.

For further information about DCU and our branch locations, or communities we serve, please visit our website at www.dcu.org. We hope to develop a stronger partnership with you to better serve our communities. Please contact me at any time or contact Amy Regan at amyregandcu@gmail.com or (508) 804-9653. Amy is a volunteer with DCU to help find and build partnerships with organizations, including our local schools.

Sincerely,

Laurie LaChapelle
