

“Section 54C. (a) Each school district, vocational district, charter school, approved private day or residential school and collaborative school shall provide and maintain at least 1 automated external defibrillator, AED, on site at each school facility where instruction is provided. Each school shall have on staff a person who is an AED provider having current certification in a training course in cardiopulmonary resuscitation and in the use of an AED in accordance with the standards established by the American Heart Association or the American National Red Cross. The school administration shall ensure that an AED and AED provider is readily available at any school-sponsored athletic event.”
