RE: Impact Bargaining – Fingerprinting: National Background Criminal History Checks

Dear Mayor Petty,

This letter is meant to notify you that the EAW is hereby exercising its right to enter into negotiations over the impact of the recently enacted H 4307 which requires all public school employees to submit to fingerprint based national background checks. This law affects all EAW bargaining units including Teachers, Administrators, Instructional Assistants, OT/PT Therapy Assistants, Bus Drivers and Monitors and ESL Tutors.

Please advise your representative to contact my office in order to arrange negotiation dates.

Thank you for your assistance.

Sincerely yours,

Leonard Zalauskas  
President
