ITEM - gb #4-250
S.C. MEETING - 9-18-14

ITEM:

To approve the proposed 2015-16, 2016-17 and the 2017-18 School Calendars.

PRIOR ACTION:

BACKUP: The Calendar Committee met on Tuesday, February 25, 2014 (see attachment for listing of members) and made the following recommendations for the 2015-2016, 2016-2017, and 2017-2018 Calendars:

- Starting with 2016-2017 - Change the first day of school for students in grades 1-12 to begin on a Monday instead of Wednesday so that students can have a full week of classes the first week of school.
- Removing the second last day of school circle. The committee expressed that this date was really not useful and could be confusing for the last day of school.

Annex A (4 pages) contains a copy of the listing of the Calendar Committee members and the proposed 2015-16, 2016-17 and 2017-18 School Calendars.
