Re: Financial Commitment to Vernon Hill School & Quinsigamond School

Dear Mr. Allen:

Enclosed are two checks—\$5,000 for Vernon Hill School and \$8,000 for Quinsigamond School—representing the fifth and final installment of Millbury Savings Bank's five-year commitment to these schools.

As you know, our intent is for these donations to be used by teachers to supplement learning materials for their classrooms—either individually or in collaboration—and that you will continue to use established internal control procedures to ensure these funds are allocated accordingly.

Once again our bank is pleased to be able to provide this assistance to the schools.

Sincerely,
