Office of Grants Management

Grant Acceptance Form

Name of Grant: Project HERE Substance Use Prevention Curriculum

Type of Funder: Massachusetts Office of the Attorney General

Awarded Amount: \$25,000.00

Grant Funding Period: August 1, 2018 – June 30, 2020

Project title: Project HERE

Program coordinator: Carol Manning

Purpose: To make substance use prevention education available to every public middle school in Massachusetts to promote social-emotional learning and empower students to make healthy decisions.

Description of the program: To provide access to educational resources to teach healthy decision-making skills, invest in social emotional learning, and educate about substance use. This is a grant-based program that will provide evidence-based curricula to select schools.

Program location: Worcester Public Schools

Outcomes and Measures: To improve public health and provide these resources in communities across the state.
