

Dear parents,

It's hard to believe we are approaching the second half of the school year.

In MATH..

- Counting to 120 by ones
- Counting 10120 by tens
- Understanding place value (tens and ones)
- Greater than/ less than/equal to (<, >,=)

ELA..

- Long a (cvce), soft c and g, final endings ng, nk, nd
 - Long i (cvce), contractions
 - Long o and long U (cvce), final blends ft,l k, nt
- Daily Journal Writing

Social Studies..

This Month will read and discuss Martin Luther King Jr.

Science..

We will discuss way animals adapt in the winter. We will continue watching the weather changes.

REMINDERS

Please continue to practice reading each and every night! Practice Makes Perfect! The children are working hard in reading groups and progressing nicely.

It is very important that the children continue to practice addition and subtraction facts within 20. Our goal is for all children to master these facts with automaticity during the second half of the school year.

Green homework folders are to be returned daily
Homework should be returned daily
