

January's News

Grade 6 Ms. Carroll & Mrs. Faiola

Happy New Year!

Math: Students will begin an algebraic expressions and equations unit this month. They will be learning how to simplify expressions, identify equivalent algebraic expressions, and solve algebraic equations and inequalities.

Science: As Mrs. Faiola's homeroom finishes up science for the term learning about different forms of energy and energy transformation, Mrs. Carroll's homeroom will begin learning about cells; structures and purposes, unicellular and multicellular organisms. Science Fair project ideas are due January 11th. Science Fair projects are due March 5th.

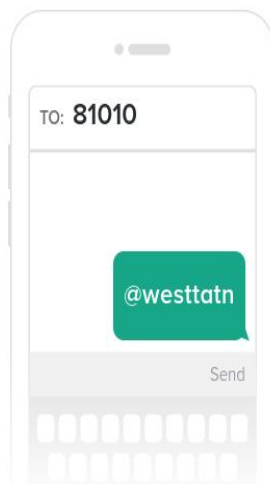

ELA: Students will begin a new unit of study focusing on historical nonfiction. They will collect, interpret and apply information through reading, discussion, and writing. Our writing focus will shift to narrative, but students will continue to write for a variety of purposes, including journaling about *Children of the Dust Bowl: The True Story of the School at Weedpatch Camp*. Please encourage your child to read 30 minutes each night and keep up with their reading log.

History & Social Science: Students will learn about the history, politics, geography, culture, economics, and social structures in Western Europe. Their final project will be a Google Slides Trip Brochure. This project will be due on 1/15, and presentations will begin.

Reminders/Information:

1. Please sign the agenda once a week.
2. End of the marking period is January 18th and report cards go home on January 30th.
3. There is no school on Monday, January 21st in commemoration of MLK Jr. Day.

The candy cane gram fundraiser was a huge success! We thank you for all your generosity over the holiday season.

Remind App We are hoping to improve communication relating to all 6th grade events through the app, Remind. We hope you will **text** @westtatn to the number 81010.

Thank you for your support with this initiative!
