What We've Been Up To

I hope you all had a wonderful winter break! We jumped right back into our hard work after our time off and have definitely been working to show what we know! This month we will be presenting our drama show- Tikki-Tikki-Tembo and we are working extremely hard to memorize our parts in the show! We are all very excited to showcase our hard work.

Reading

This month students will continue their hard work reading a majority of biographies in social studies. To celebrate Woman's History Month we are learning about Harriet Tubman, Ruby Bridges, Rosa Parks, Sally Ride, Betsy Ross, and Hellen Keller. During this time we will be discussing the timeline in one's life in chronological order and will be discussing hardships many people have to overcome.

Important Dates

March 5th – Spring Picture Day
March 11th- PTG Meeting 6:30

March 12th- Book Mobile
March 27th- Tikki-Tikki-Tembo
8:45am

Writing

This month we will be continue our work with TREE writing- Topic, Reasons (3), Explain, Ending. We are asked during this time to formulate an opinion on a given topic and back it up with three reasons as to why. One example of a question we deeply researched was, "is Ruby Bridges brave? Why or why not." Students all voted "yes" and each provided why.

Math

You may have heard from your child that we are implementing computers much more lately, especially in math. Thank you to those who continue to work with online homework! If you have not yet tried and have access to a computer, this may be a great time! As we start activities and testing on computers more often, student familiarity with the format seems to help quite a bit. Please let me know if you have any questions.
