

January News

Ms. Duggan

Happy New Year! I hope everyone had a happy and healthy holiday. It is hard to believe that it is January already

We have many fun things planned this month. Our themes will be teddy bears, night time, winter and snow.

We will continue working on dressing skills: putting on and removing jackets, hats, and mittens. We will also work on zippers and buttons. Please encourage your child to practice at home.

We will also be working on letter identification and beginning to work on letter formation.

Please remember, when you have your child practice letter writing, be sure to use both upper and lower case letters. This is especially important when your child is learning to print their name. It will be very helpful when your child goes on to kindergarten.

Dates to Remember

Monday Jan. 21st -----No school, Martin Luther King Day
