HELP WANTED

Worcester Public Schools

Rewarding opportunity with flexible hours.
Excellent opportunity to meet new friends,
be part of a great team and have fun while
'giving back'!. No experience required.

COATS for KIDS Program

Would love your help!

GET INVOLVED! The Coats for Kids Program provides new winter outerwear to children in need throughout the district. The program runs from October - January. Thousands of coats, hats and mittens are donated and must be matched, bagged and prepared for pick-up by the schools. If you have time to spare while your child is in school, an hour or two or three, can make a huge difference!

If you are interested, please contact Liz Vecchio, Program Coordinator, for additional information. vecchio@worcesterschools.net | 508.799.3479
