

Policy Statement and Procedural Guidelines for Recess

Quality education requires a healthy learning environment that provides students (K-6) with minimally a total of 30 minutes of recess over the course of the day. The 30 minutes can be divided into shorter breaks and shall include a break at lunch. Recess is designed for the purpose of engaging students in developmentally appropriate activity which promotes learning, social development, and physical health. Structured/unstructured recess shall rarely be taken away from students as a form of punishment/consequences. Neither shall severe exercise be used as a form of punishment/consequences for students. This time shall not be a substitute for physical education.

The School Principal is responsible for communicating, applying, maintaining, and evaluating the Recess Policy. The School Principal shall review the Recess Policy with the members of the School Site Council annually and submit results of that review to the Deputy Superintendent in May of each year.
