

May News

Hello Families! A big thank you to all who donated materials for our STEM challenges. The children have been so excited to incorporate these engineering activities into our routine. Also, thank you for supporting our classroom fundraisers. We have raised over \$600 to put toward our 3 field trips!

This month we have two field trips coming up that require chaperones. If you would like to volunteer, please check with Mrs. Freeman to be sure your Cori is up to date. Please let me know which trip you're interested in attending. If there are many volunteers, we will use the lottery to decide.

Events

- **May 13th** In School Field Trip Boston Aquarium brings a tidepool to West Tatnuck
- **May 17th** Field Trip to the Ecotarium
