In our ELA reading program, we will continue to work on our high-frequency words, as well as "sounding out" short u and short i words. Please check your child's backpack for phonics library books and any additional materials for at home practice of these important skills. Remember, the more your child reads, the better a reader he or she will become.

As we patiently wait for the gorgeous weather to come. I would like to remind you of a few rules. There are NO flip-flops allowed at school. The children have recess where they run frequently as well as play on the climbers. Flip-flops are dangerous for those reasons. Please send your child to school in sandals with heel straps or sneakers. Your cooperation is MUCH appreciated.

## Southwick's Zoo

We are very excited that on Tuesday, June 4th, the Kindergarten classes will be going to Southwick's Zoo for our field trip again this year. We have had wonderful experiences with this in the past.

The cost of the this trip and bus transportation is \$11. If you have any questions or concerns, please feel free to contact me.

We do welcome parent chaperones; however, you **MUST** have a CORI check completed (you can check with Mrs. Freeman in the office), and due to limited funds and space on the bus parents are asked to pay their own admission (I can get the group rate \$12.50 for you) and provide your own transportation.
