

Data from DESE Security portal, the following is the number of students who have been enrolled in Worcester Public Schools during the 2018-2019 school year:

Doubled up	2520
Hotel/Motel	63
Shelter	647
Unsheltered	18

Total enrolled: 3248

Data from DESE Security portal, the number of students in foster care during the 2018-2019 school year is 485. I believe this number does not accurately represent the number, and believe there are far more students in foster care and group homes. Neither DCF nor WPS information systems accurately capture the number of WPS students in substitute care.
