Worcester Public Schools
Accounts Payable
20 Irving Street
Worcester, MA 01609

To Whom It May Concern:

The open invoices dated Jan 22, 2018 were the last invoices created under our old billing system and our old name Education, Inc. Due to our name change and new tax ID# under EI US, LLC. I was asked to update the invoices to reflect the name change so they could be paid.

Sincerely,

Sarah A. Kelsey
Billing Associate
