Grant Acceptance Form

Name of Grant: Innovation Pathway

Type of Funder: Massachusetts Department of Elementary and Secondary Education

Awarded Amount: \$28,683.00

Grant Funding Period: December 21, 2017 – June 30, 2020

Project title: High Quality College and Career Pathway

Program coordinator: Drew Weymouth

Purpose: To support the development of new and effective strategies to scale high-quality career pathways, and significantly expand student access to, participation in, and successful completion of pathways that culminate in meaningful postsecondary and workforce credentials.

Description of the program: To provide participating students with supportive, rigorous academic experiences and career development education relevant to their next steps after high school.

Program location: Worcester Public Schools

Outcomes and Measures: To enhance a student's ability to gain awareness and preparedness of future employment opportunities.
