

WAMS VISUAL ARTS

Worcester Arts Magnet School [September 2019]

“My favorite thing to do in art is making pictures of the ocean because we get to make pictures of fish. My favorite one to draw is a shark.” -Yediel, Grade 2

Welcome to the Art

Room! ARE YOU MONA LISA READY?!

Students in grades PreK-3 learn our Mona Lisa Ready guidelines for the art room and earn stickers for prizes for good effort and conduct.

Grades 4-6 students created paper wallets, purses and fanny-packs to hold their earned “Mona Lisa Money” (or art bucks) that they can trade in for prizes!

Know Your School Night

Visit the art room on September 12th to check out our space and our artwork!
