

# WAMS VISUAL ARTS

Worcester Arts Magnet School [October 2019]

“My favorite thing in art is drawing and being creative because I can do anything in my drawings. I just think of a lot of things that I like, mostly animals and colors, but it’s mostly random. This is my sketchbook cover and it has an underwater theme. I painted the background, the green fish and then the shapes of other creatures in sharpie marker.” -Emilie, Grade 6

## S.P.O.T. Logo Design Contest

Congratulations to 5th grader Imogene Gay! Her S.P.O.T. logo design was selected as this year’s mascot image to represent our WAMS expectations of Safe, PAWsitive, On Task and Team Player!

## Ready, Set, Sketch! DONOR’S CHOOSE

Please help us get sketchbooks, graphite pencil sets and art folders for students in grades 4-6! Every little bit helps! Find our art page on the Donor’s Choose website and please feel free to pass it on!
