

October News 2019

**MS. SKEATES
&
MS. G**

Look What We Are Learning

Can you believe its October already! Everyone has adjusted well! The students are learning how to behave/act appropriately in a school setting as well as the entire school environment. We discuss "Happy" and "Sad" choices on a daily basis. Last month the letters A & B were introduced. This month we will continue with C, D, & E.

Other topics for the month will be leaves, pumpkins, orange, black, fire safety, and community. There may also be two homework assignments, so keep a lookout for more info!

Class Notes

Thank you for the wonderful attendance at Know Your School night. You signed up for a conference time that night. Just a reminder the date is Friday, November 22, 2019. I will send home a reminder, with your specific time, soon.

Please be sure you are on time for pick-up. If need be, plan to be there 5 minutes earlier than the dismissal time. When you are late for pick-up it cuts into our time for prepping for the next class, eating our lunch and leaving. Thank you for your attention to this.

Remember, if we are on the playground when you arrive for pick-up, you can pick-up your child from the playground. (*AM Class only*)

If you have not sent in an extra set of clothes or diapers/wipes, please do so. We will be going outside as much as possible too, so be sure your child is dressed appropriately for the weather. Open toed shoes are not recommended. Thank you.

We have begun yoga in class. If you are able, please send in a yoga mat or towel/blanket for your child to use. Thank you.

Book Orders are due on Friday the 4th, either online or by check. FYI, each PTG meeting childcare is available, free of charge.

The newsletter will be sent electronically to most of you. I wanted to send it in the folders this month to be sure everyone is aware how you will receive next month's.

Upcoming Dates:

Book Orders due (check or online)	4
No School	11 & 14
Parent Teacher Group Meeting (PTG) 6:30 pm	21
Grade 4 Story Telling & Harvest Festival 6:00 - 8pm	25

Side Note

- If you and your child are going Trick or Treating for Halloween, please be sure to stay with them at all times, have a flashlight and put some type of reflector or glow light on your child for easy detection. Have fun and be safe!!
