

Session I Finale!

It is hard to believe, but the 21st Century after school Session I program ended on December 13. Ten weeks flew by! Worcester Public School (WPS) staff as well as community partners provided a wealth of opportunities and activities for students that were a great success. Please take the time to view pictures of some of our offered activities below.

We look forward to having students return as well as new students participate in Session II from December 17, 2019-March 13, 2020!

Burncoat Middle School

Students display their food truck designs-such talent!

Students worked hard to create wonderful articles for the School Newspaper program!

WPS staff provided a fitness program for students who were able to learn strengthening and conditioning techniques!

In addition to WPS fitness activities, students enjoyed completing various fitness challenges offered by our community partner FitClub!

Students in Mrs. Potito's video production class created a video of a day in the life of a 21st Century student-check it out!

Main Idea

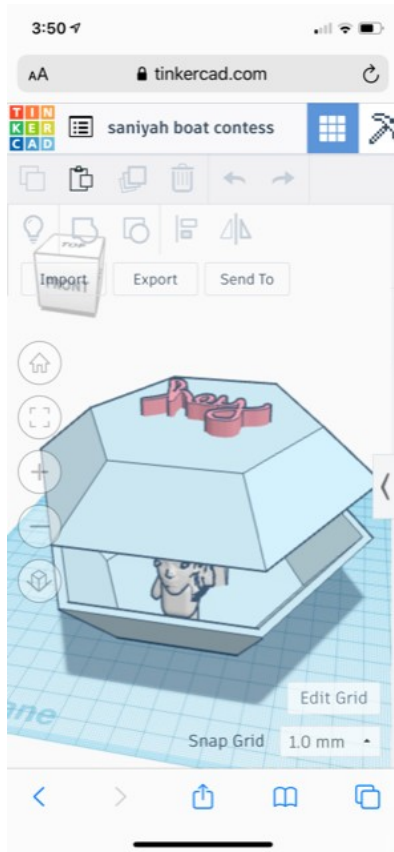

Students in Mrs. Hamm's Yoga class learned new skills they were able to share with members of the St. Mary's Health Center Nursing Home.

Various 3D projects were created by Claremont students in Mr. Burns class-so interesting to see their creations come to life!

Claremont and Woodland students participated in homework help sessions each day with assistance by WPS staff.

Students were also provided a valuable lesson in CPR by the American Red Cross.

Vernon Hill School

Our community partner FitClub provided diverse fitness style activities for Vernon Hill students. We look forward to having them back in Session II!

Students in Mrs. Naughton's cooking class created their own gingerbread house!
