Congratulations to

**Brihana Hamilton**

Grade 6, Worcester Arts Magnet School

Her artwork was chosen as a winning submission for the **Reign Cafe Crown Mural Design Contest**

“I chose to include the symbol for Black Lives Matter because of what is going on right now, and I drew flowers because to me they are a symbol of peace.”

The contest was organized by Main Idea, an art program for kids at Clark University. Students were asked to design a crown using black and white or grayscale. Her design will be painted by artist John Vo as part of a mural at the brand new Reign Cafe in Worcester! Brihana, along with other student artists around the city will even get the chance to paint part of the mural with the artist!
