Hello Families,

It’s hard to believe it’s already November and almost the end of our first quarter of school! I was impressed with the students’ ability to listen and follow the multi step directions of our monster descriptive writing. They turned out amazing and the children seemed to have fun along the way! We will continue to have writing craft projects from time to time. There is a lot going on this month at West Tatnuck, so read carefully below.

**Events**

- Nov 3rd Ms. A-D’s Fall Baking Class 6-7 pm
