 Mayor Petty

1. GENERAL BUSINESS

2020-21
 Educational
 Plan/Approval of

gb #0-246 - Administration
 (July 28, 2020)

To consider approval of the 2020-21 Educational Plan for the Worcester Public Schools.

Mayor Petty discussed the first phase of the reopening of schools by stating that:

- Remote learning will take place for the first marking quarter.
- Teachers will be allowed to teach from home or in their classroom.
- Ventilation systems will be upgraded in all school buildings in the Fall and the Administration will start transitioning Group C students back into schools for in-person learning.
- Matrix will be put in place to monitor the education of all students.

Mr. Allen stated that prioritizing HVAC upgrades is part of the school reopening plan. The three criteria are increasing outside air, improving ventilation and using supplemental filtration, where possible. The district, along with the City, intends to use the Needlepoint Bipolar Ionization system in all schools and that work will be done between now and the end of December.

The cost for the HVAC upgrades is approximately a 15-million-dollar investment as a result of the purchase of the Ionization equipment. The Administrators are seeking Federal stimulus monies and are working with the City to find funding to cover the costs to ensure that these upgrades are done.

Superintendent Binienda stated that students will start school on September 15th with a hundred percent remote learning which will run through the first quarter. The Administration will then assess the work that has been done with the ventilation systems, the progress of the students, and then will provide an update to the parents regarding the plans for the second quarter.

The Superintendent stated that the Chromebooks that were ordered are delayed until mid-October. However, the IT department did a survey of equipment and indicated that every student will be able to get a Chromebook.

A Caregivers Academy will be launched to help families support their child/ren's education. The content will be translated into multiple languages and there will also be a parent's helpline during the day.

Mayor Petty asked the Superintendent to provide a quick overview of the dissemination of the breakfast and lunches to families.

The Superintendent stated that prepackaged breakfasts and lunches will be available for students. If there is a family in need of food that tested positive for COVID 19, there will be home deliveries in partnership with the YMCA on Main Street.

Mrs. Clancey suggested that teachers and/or parents record lessons for the students so the parents can help their child/ren.

Ms. Novick stated that the past seven weeks were very productive and the Administration has worked with the Committee. However, the Federal Government has not provided the adequate support that the school districts need. At the State level, the level of support has been anything but helpful but the local Government has been very supportive. She requested that the Mayor forward a letter to the State officials indicating the ways in which they let the district down.

Superintendent Binienda indicated that a contact and resource list is being developed to respond to questions from parents.

Mayor Petty requested that the following testing sites be placed on the Worcester Public School's website and Facebook page:

- Woodland Academy
- Goddard School of Science and Technology
- Elm Park Community School
- UMass Medical Hospital

Mayor Petty asked for a roll call on the following motions of Ms. Novick:

Request that the Superintendent make the following changes to the backup before forwarding it to the state:

- add the following language from page 32 to the cover letter:
Worcester Public Schools will focus on fostering community and relationships throughout the day with three overarching principles: 1. parity and interdependence of physical and emotional safety; 2. equity and racial justice; and 3. collective care.
- delete the word "November" from page 3 and throughout the document.
- add to page five the various health matrices from the City that were used to monitor the increase in the virus.
- delete the last line on page 52 that reads "families can request an alternative packet."

Request that the Administration address the issues of absenteeism when the power goes out.

Request that the Superintendent ask Dr. Hirsh to develop a Matrix Plan regarding the safe reopening of schools.
