

Heather Bachand

South High
Community School
Class of 2021

Heather has been involved in chorus and band since sixth grade and in theatre since seventh grade. Even in middle school, she knew she wanted to pursue a career in musical theatre. In addition to her music classes at school, she studies voice privately and takes dance and theatre classes at Hanover Conservatory, where she is a member of the Youth Acting Company.

Heather explains, “I love scene study and portraying characters through song. I am also in love with music in general, which is why I play piano, flute, and piccolo, and take AP music theory...I’m always seeking professional opportunities.”

Her strong work ethic helps her achieve her goals. A Goddard Scholar at South, Heather has exemplified leadership in all her musical pursuits, serving as flute section leader, chorus section leader and teaching assistant, member of South Harmonies a cappella club, and treasurer of the Tri-M music honor society. She participated in All-District and All-State choruses in 2020 and 2021, as well as All-Eastern Honors Chorus in 2021, where students were chosen from twelve eastern states.

Heather plans to major in musical theatre in college and is excited for the change. She has definitely left her mark at South High and will be dearly missed.

As Bonnie in *Anything Goes*, St. John’s High School (Shrewsbury) 2019 production.
