Welcome Spring! We have had great success as we began our hybrid learning. It is exciting to have students back in the classroom! Beginning on May 3rd we will open our schools to all students 5 days a week. Please be sure to make your learning model selection on the WPS website by April 9th. Please let me know what model you have chosen. All preschool students will be returning to their assigned AM or PM sessions.

The third quarter Family Conference forms have been completed and will be sent home later this month.

Our themes for the next few weeks will be Spring, Earth Day, planting, caterpillars and butterflies.

We will have at least one more materials distribution for all students before May 3. Materials will be sent home with students who are in school, parents will need to pick up materials for students who are remote. I will let you know the date and times.

Just a reminder, please send your child to school with their Ipad and charger everyday.

Dates to remember:

April 19 - 23 no school - Spring vacation
