Dear Families,

As of May 17, 2021, the Worcester Public Schools is offering in-person learning and remote learning to all students in grades PreK-12 through June 15, 2021. Due to the need to abate and remove the current South High building and prepare the new building for re-opening in August 2021, students at South High Community School will remain in hybrid learning until May 28, 2021 and return to full remote learning from June 1-June 15. South High students with complex significant disabilities and Pre-K students will receive full in-person learning beginning May 17 for five days a week. These students will be relocated to Sullivan Middle School for in-person learning from June 1-June 15. WPS will continue to use personal protective equipment, and follow safety procedures in all schools. WPS principals, teachers, families and community agencies continue to work together to meet our students' needs.

This document is presented to our families to provide guidance for a safe and successful transition to in-person learning for students in PreK-12. I will continue to update you on current guidance from the Massachusetts Department of Elementary and Secondary Education by posting updates on our website, worcesterschools.org and through social media and Connect-Ed phone messages.

Thank you for your ongoing support.

Maureen Binienda

Guiding Principles

Healthy Educational Environment

We will ensure that appropriate measures to protect the safety and health of our students and staff is a top priority by:

- providing clean and sanitized buildings
- investing in equipment to ensure air quality improvements and safety
- prioritizing COVID-19 mitigation training for staff and students and school routines have been designed to minimize risk

Robust Instructional Opportunities

We will provide high quality synchronous, asynchronous, and hybrid instruction to students during remote and hybrid learning time by:

- ensuring students have access to a district issued device and internet
- modifying curriculum programs to support multiple learning models
- having continuous professional development integrating instructional technology
- providing modern research based learning platforms

Social Emotional Supports for Students

We are mindful of the pandemic's impact on students and we are prioritizing student well-being through:

- biweekly student SEL and academic needs survey
- specialized and individualized SEL support
- structured schedules with time for check-ins and small group supports

Equitable Learning Opportunities for Students

We will provide high quality learning for all students through:

- ensuring that Students with Disabilities receive appropriate support and instruction
- ensuring that English Language Learners receive appropriate support and instruction
- continuing to implement culturally responsive, learner-centered practices in all lessons
- providing varied accommodations in order to make learning accessible for all learners

Transparent Communication

We are committed to providing timely information to families and community members regarding the shifts and changes associated with COVID-19 school procedures through:

- frequent updates to the website with translated information
- leveraging multiple ways to communicate with families including community forums, ConnectEd messages, text messages, phone calls, social media, and website updates

WPS is working closely with the Parabola Project to offer guidance, tools, and strategies to understand and minimize risks while maximizing learning and wellness during COVID-19.

Teaching Model

In-person/Remote Model

In this model classroom teachers will teach students who are In-person and/or remote learners. To facilitate instruction:

- Teachers will develop daily instruction for all students
- All students will start the day/each class simultaneously in synchronous instruction with their teacher
- Both in-person and remote students will participate simultaneously in synchronous instruction with their teachers daily whenever appropriate. Independent work and projects will be assigned to provide focused instruction, limit the amount of screen time, differentiate instruction, and allow dedicated time for students to explore and create
- Where needed some dedicated time may be allocated during the school day to allow teachers some dedicated time for teachers to meet daily with remote students

Cohort Selection

To reduce the number of students on the South High campus at any given time students will continue to be

divided into cohorts. Cohort 1 attends school in-person Mondays and Tuesdays or Cohort 2 attends school in-person Wednesdays and Thursdays.

Student & Staff Safety

District Guidelines

- Staff received comprehensive safety training including the viewing of a four part school safety reopening video
- Students are requested to bring two masks to school each day
- Masks and gloves will be available upon requests for all staff and students
- Masks will be expected to be worn within school buildings at all times, except during mask breaks
- Three to Six feet of social distancing guidelines will be followed
- The number of people within a closed area will be limited to reduce exposure to Covid-19
- Transition and directional plans have been created for safe movements throughout the building
- Staff have been trained in hand washing; students upon re-entry will be trained in hand washing
- Hand washing schedules have been created
- Hand sanitizers have been placed in every classroom and other key locations at all schools
- Additional PPE and cleaning supplies are available at our schools including masks disinfectant wipes, shields, gloves, hand sanitizer, and gowns for all needs

Classroom Setup

District Guidelines

- Desks and tables are three feet apart and face the same way
- Unused furniture has been removed to allow for more space
- Students will have seating assignments for contract tracing if necessary
- Signage of protocols are posted

School Supplies

District Guidelines

- Each student has their own school supplies
- Personal belongings are separated and not shared with others
- For shared supplies there is a cleaning protocol for disinfecting between uses
- Lockers are not being used during this phase of reopening; coats and backpacks are allowed in the classrooms
- Students are required to bring their chargers, earbuds, and district issued devices fully charged to school each day
- Students should not bring their hotspot into school
- Students are not allowed to use a personal device in school

Student Transitions

District Guidelines

- Signage is posted throughout the entire building to direct students' transition and maintain six feet distance
- Hallways and stairways are assigned as exit and or entrance points to avoid students passing each other face to face and crowding
- When students transition staff monitor transition to ensure six feet distancing

Arrival

District Guidelines

- All students/families should complete a symptom self check via the health portal daily before leaving for school
- Arrivals are staggered times to avoid large groups entering the building at the same time
- Social distancing is maintained while entering the building with staff monitoring
- Students go directly to classrooms when entering the building

Dismissal

District Guidelines

- Staff and students must maintain social distancing when preparing for dismissal
- Dismissal time is staggered to avoid large groups exiting the building
- Students and staff must wear masks during the entire dismissal process while in the building
- Students walking home should maintain social distancing

Breakfast and Lunch

District Guidelines

- All water bubblers and fountains are shut off
- Food service is providing water during the school day
- Breakfast and lunch are grab and go or being delivered to the classroom
- Breakfast and lunch is being eaten in classrooms or school cafeteria
- Students maintain six feet distancing while eating

Recess

District Guidelines

- All elementary schools have scheduled recess breaks
- Students wash hands after recess
- Students are encouraged to maintain social distancing while playing
- Playgrounds are open

Mask Breaks

District Guidelines

- There are scheduled mask breaks for students
- The breaks are based on the students' age and needs
- Mask breaks are conducted outside whenever possible
- When on a mask break students are in designated areas, maintaining social distancing

Hand Washing

District Guidelines

- Students and staff are required to wash their hands frequently
- Hand washing with soap and warm water for 20 seconds is the recommendation
- Hand sanitizer is available in every school

Bathroom Procedures

District Guidelines

- Safety protocols are established at schools based on bathroom location and capacity
- Bathroom breaks are carried out as they would during normal school times
- Students waiting for the bathrooms are six feet apart and wear masks
- Signages is posted to remind students to wash their hands
- Soap dispensers are filled on a regular basis

School & Systemwide Staff Protocols

District Guidelines

- All school based and systemwide staff are required to sign in at a designated area
- When visiting school buildings, masks will be worn by all staff and social distancing will be maintained
- Work spaces in the building may be utilized for specialized instruction
- Congregated work settings are prohibited (such as teacher's lunch rooms)
- Teachers and staff will take breaks and eat in designated areas of the building as decided by the principal or supervisor
- Staff meetings are held virtually
- Professional development is held virtually

Visitor Access to the Building

District Guidelines

- Visitors should call ahead and arrange a time to come into the building
- Visitors are required to sign in with their name, purpose, and phone number
- Visitors must wear masks at all times
- Visitors must maintain six feet social distance upon entering the school
- Only one visitor at a time is allowed in the office
- Staff will assist visitors in their needs
- There will be no visitors volunteering in classrooms

Decisions about when and how to reopen schools during COVID-19 need to be based on a strong set of principles, grounded in best available evidence, informed by context, and oriented towards each community's highest aspirations for student learning and well being.

-Parabola Project

Air Quality and Cleaning Protocol

District Guidelines

- We upgraded all of the buildings to improve air flow
- HVAC assessments were conducted in 59 locations
- Needlepoint Bipolar Ionization systems were installed in all locations to improve air quality
- Misting machines have been purchased for all schools and are used each night
- Custodians clean rooms, empty trash, and disinfect high touch points regularly
- Each classroom is provided with disinfectant wipes to use on desks and materials for frequent washing; the wipes are made from the safest disinfectant available on the market approved by EPA for Covid-19
- Hand sanitizer has been purchased for all schools and is replenished when needed

Summary of Ventilation Systems Work

How NPBI Works

With a cough or a sneeze, any individual can introduce harmful pathogens into the air. To minimize exposure, NPBI produces millions of positively and negatively charged ions that travel through the air via the HVAC system, continuously seeking out and attaching to harmful particles — including pathogens' surface proteins, rendering the pathogens ineffective.

Reducing the Spread of Disease

Rapid, Continuous Air Cleaning NPBI technology releases ions that immediately begin attaching to particulates, and, as ions enter the air stream, they offer continuous cleaning throughout the entire facility.

Inactivate Pathogens When ions come into contact with pathogens, they not only make them more filterable, their microbicidal effects also reduce the infectivity of the virus.

PATHOGEN	TIME EXPOSED	KILL/INACTIVATION RATE
E. coil	15 minutes	99.68%*
C. Diff	30 minutes	86.50%*
Noro Virus	30 minutes	93.50%*
MRSA	30 minutes	96.24%*
COVID-19	30 minutes	99.40%*

*White papers that detail these results are available upon request from the manufacturer of the needlepoint bipolar ionization technology.

- All schools have a established Covid-19 medical waiting room separate from the nurse's office
- The Covid-19 medical room is used for students presenting with Covid-19 symptoms.
- Every school has a nurse and a Covid-19 point person
- There are disinfection procedured followed after each student visits the nurse's office

Students and Staff Exhibiting COVID-19 Symptoms

District Guidelines

- We respond promptly and effectively when there is possible exposure to Covid-19
- An individual who is symptomatic at home should stay home and get tested
- If a student or staff member is positive, notify the building principal
- If a student is Covid-19 positive, home with symptoms, or quarantining, they can participate in remote learning
- A student that is symptomatic on the bus will immediately be brought to the Covid-19 medical waiting room for assessment
- A student that is symptomatic while in school will wait in the Covid-19 waiting room until they can be picked up
- Symptomatic students will require a pickup and will not be allowed to ride the bus home.
- A staff member who appears symptomatic at work will discuss coverage with the principal and follow district protocols
- A student or staff member who tests positive must notify the school, assist with the district procedures on close contact and covid-19 positive status procedures, and follow CDC guidelines for quarantining or isolation

Protocols for Potential School Closures

District Guidelines

In the event of multiple cases of Covid-19 in the school or building, we will:

- consult with Worcester Regional Department of Public Health Department
- review the specific COVID-19 public health metrics for the city of Worcester
- determine if it is necessary to shut down a classroom, wing, or entire building for a short time by consulting with necessary stakeholders and WPS administration for a final decision
- inform the community
- communicate building reopening plan
