

# May News

Hello Families! I am so excited to have the children back in our classroom full-time! We were so thrilled to have centers and guided reading in person. We loved having recess altogether as well. I am continually impressed with their resilience and perseverance. What a great day! A few parents have asked for a classroom wish list, so I am providing a link below. Thank you for all your kinds words, gifts, and support. I appreciate your generosity and cooperation during this difficult year.
