

West Tatnuck Summer Reading Assignment

Entering 3rd Grade

We know summertime can provide opportunities for kids to reinforce and improve on their reading skills. They can enjoy reading a variety of books of their choosing. They can also make up for any lost learning time as access to instruction and reading has had to be completely rethought due to the pandemic. Research has proven that in a typical year, summer reading can keep kids on track with their learning. Studies have shown that students who do not participate in summer reading can lose up to 2 months of reading performance. With this in mind, our Summer Reading Assignment is to help our West Tatnuck students achieve academic gains, support social-emotional well-being, build skills and create community among their peers.

Grade 3 Summer Reading Assignment

- ★ Read for at least 20 minutes a day or for 2 hours a week.
 - ★ Pick ONE book that was your favorite.
- ★ Bring that book to the first day of school, and be prepared to talk about it.
 - ★ You will be doing a FUN class project on that book in school.
- ★ BONUS: Complete the [Summer Reading Bingo](#) for some new ideas.
 - ★ Your teachers are EXCITED TO SEE WHAT YOU READ!

Have a wonderful summer and make time for reading every day!
