

# October Newsletter

First Grade: Ms. Stukowski

## ELA/Writing

- Phonics skills:
  - Short a,e,i,o,u
  - Verb Endings (-s,-ed,-ing)
  - R clusters/blends (trip,grab etc.)
  - L clusters/blends (clock,flip etc.)
- Continue to practice sight words and build our word wall
- Continue practicing writing sentences and reflecting on our reading.

## Math

- Fluently add and subtract within 10 (Part/Part/Whole)
- Addition facts to 20 (Strategies such as doubles facts, doubles plus one and doubles plus two, think addition to subtract, and make ten to add are just a few)

\*It is also very important that students practice addition and subtraction facts within 20.

## Science/Social Studies

- Life Science: study of seeds, leaves, plants, trees, apples, and pumpkins. Study of bats and spiders.
- Study of the sun and moon.
- Columbus Day
- Continue to write about our science using the SRSD writing method (fact lists, TIDE charts, collaborative writes)

- Please continue to practice reading each and every night! Practice makes perfect!
- Please send in 2 masks with your child every day.
- Scholastic Book orders are apparently delayed. I will let you know a timeline as soon as I receive an email that books have been shipped.
