

October News

Hello Families!

I can't believe it's already October! I'm impressed with how quickly the children have adapted to their new classroom and routines, especially after learning remotely last year. We are enjoying having hands on centers activities, listening to stories, and doing science experiments together. We continue to have fun while learning. Below you find some important dates to remember, as well what we will be learning about this month.

Events

- **Oct. 1st** Fun Friday
- **Oct. 5th** Math Masters Afterschool Program
- **Oct. 7th** STEM Club
- **Oct. 29th** Halloween Parade at West Tatnuck
