

November's News

Grade 6 Ms. Carroll & Mrs. Faiola

Math: Students are beginning a new unit on Numeric and Algebraic Expressions. During this month, students will learn how to write and evaluate numerical and algebraic expressions, generate equivalent expressions and simplify algebraic expressions.

Science: Students will continue to use hands-on investigations to learn about Energy Waves and Information Transfer. Students will learn about the structure of waves, (sound, light and mechanical waves). Students will investigate how waves interact with surrounding materials and environments.

ELA: Students will begin book clubs. They will focus on interpreting and analyzing the text through discussion and writing. They will specifically study the author's craft, line of thinking, and message. They will apply what they learned from reading The Westing Game to their book club novel.

History & Social Science: Students will learn about the history, politics, geography, culture, economic, and social structures in South America. They will use the 5 themes of geography to understand more. Students will work in centers on a series of smaller projects to build knowledge.

Reminders/Information:

1. Please sign the agenda once a week.
2. Bring a "Can in your Jams" on Friday the 5th (Pajama Day food drive).
3. Picture Day is November 8th.
4. Student-led Conferences are coming soon!
5. Report Cards go home on Wednesday, November 22nd. Please date, sign, and return the envelope.
6. There is no school on Thursday, November 11th for Veteran's Day or Wednesday-Friday the 24th-26th for Thanksgiving. Enjoy the long weekend!
