Learn about the *Portrait of a Graduate* and give input on those skills that you (parents and guardians) believe are most important to the future of your children and your children's success after high school.

PORTRAIT
OF A
GRADUATE

In this Virtual Caregiver Forum you will learn

- What *Portrait of a Graduate* is?
- What the predictions are for the future of work for this generation and beyond.
- What the current high school students say about what skills they believe they will need to be successful.
- What the *Portrait of a Graduate* means for education in WPS.
- What the predicted timeline is for full implementation of the *Portrait of a Graduate* across our district.

If possible, please have an electronic device such as a cell phone so that we can collect data live and display it for all to see in the moment!
