

January News

Happy New Year! I hope everyone had a relaxing holiday and time to recharge. As we begin this new year, know we will continue to do everything possible to keep the children and our whole school community safe. Please remember to send your child in with a minimum of two masks daily. Students like to change them, especially following lunch, but many times they break or become lost after recess. Thank you!

Events

- 1/3 Progress Reports Go Home
- 1/7 PTO Fundraiser: Wear something that represents what you'd like to be when you grow up
Suggested donation \$1.00
- 1/7 Winter Reading Challenge Due
- 1/17 No School- MLK Jr. Day
- 1/31 Timeline Project Due

Reminders

- Please continue review spelling words with students nightly as the spelling pattern gradually gets more difficult each week. Let me know if you need suggestions on studying ideas.
- Students should also be practicing addition & subtraction facts to 20 as we will begin to get into 2- and 3-digit numbers. Knowing these facts will help them learn these more complex skills seamlessly.
- Supplies Needed: We are running low on Clorox 2 wipes in our classroom since we wipe surfaces down daily. Thank you!

Learning Focus

ELA

- Biographies
- Primary/Secondary Sources
- Synonyms & Antonyms
- Point of View
- Opinion & Informational Writing

Social Studies

- Segregation & the leaders that emerged

Math

- Fluently add/subtract within a 1000 with & without regrouping
