

**PRESCHOOL FEBRUARY NEWS**  
**MRS. BORRACCINO and MISS DAWN**

“Love and compassion are necessities  
not luxuries.

Without them humanity cannot  
Survive”.

- Dalai Lama

February is a short month due to the vacation. The themes we are covering this month are: Groundhog Day, Valentine’s Day and Presidents.

ELA: We will continue to work on letters and letter sounds and we will be introducing syllables.

Math: We will continue with pattern work, graphing, more/less and simple addition.

Motor skills: We will use tracing and cutting activities to work on fine motor and pre-writing skills.

The second family conference form will be sent home this month. Special education progress reports for students on an IEP will also be sent home.

We will be celebrating Valentine’s Day on Monday February 14. The students can exchange valentine cards. There may be 15 students in our class by then so please include a card for everyone. There is no need to put names on the envelopes/cards. It is easier for the kids to pass them out without names. Unfortunately, we cannot allow any snacks to be brought in.

Kindergarten registration for the 22 - 23 school year is open. If West Tatnuck is not your neighborhood school you will need to register your child for kindergarten at your assigned neighborhood school. Please contact the Parent Information Center for more information.

- Reminders:

Monday Feb 14 - Valentines Day

February vacation: Feb.21-25 No School

Wish List: Liquid hand soap
