

Worcester Public Schools

would like to say,
with a grateful heart,

THANK YOU

for making a difference in the lives of our students
and their families!

Thank you to the many businesses, organizations, colleges, school districts and individuals who have chosen to make monetary donations, shop for specific children in need, hold a Coat Drive, knit hats & mittens, or volunteered valuable time.

The 2021-2022 Coats for Kids program was very successful because of you! In spite of COVID-19 and the restrictions and challenges we faced, we were able to provide new coats, sweatshirts, hats and gloves to over 2,800 students in need!

Please know how much you've helped our students and how appreciative we are of your generosity. You truly have made a difference in the lives of so many of our students!

With gratitude,

Worcester Public Schools Coats for Kids Committee
