

March News

Hello Families! A big thank you to all who donated materials for our STEM challenges. The students had so much fun incorporating this activity into our routine. We will continue to add more of them into our ELA lessons. Thank you too, for supporting our classroom pizza fundraiser. We have raised over 400 dollars to date! This month we are planning to have a book tasting fundraiser. More information coming soon, so please keep an eye out for the details of this fun event!
