

Accessing the Wooedu Family Portal

To access your child's academic information in the WooEdu Family Portal, complete the following steps.

- **Navigate to families.woedu.org**
- **Click “New User” at the bottom of the screen.**
- **Enter the GUID key that was provided by your child's school.**
- **Create a username and strong password. Record your username and password so you can retrieve it later.**

Campus Parent

A screenshot of the Infinite Campus login page for Worcester Public Schools. The page has a green header with the Infinite Campus logo and the tagline "simple | powerful". A red "Campus Parent" button is in the top right. The main content area is divided into two columns. The left column is for login, featuring a "Google Single Sign-On (SSO)" button, a "Parent Username" input field, a "Password" input field, and a blue "Log In" button. Below the login fields are links for "Forgot Password?", "Forgot Username?", and "Log in to Campus Student". At the bottom of the left column is a "New User?" link. The right column is for "Announcements" and shows a dashed box with a minus sign and the text "There are no district announcements."

Once you have successfully created your account you will be able to log in immediately. In addition, the Campus Parent app is available for iOS and Android smartphones. You will use the same credentials to authenticate and access your child's information.

For access issues, please contact your child's school. For other issues please reach out to woedu@worcesterschools.net, or visit bit.ly/wpscaregivers
