not luxuries.

Without them humanity cannot
Survive”.

February is a short month due to the winter break. The themes we are covering this month are: Groundhog Day and Valentine’s Day.

ELA: We will continue to work on letters and letter sounds and we will be introducing syllables.

Math: We will continue with pattern work, graphing, more/less and simple addition.

Motor skills: We will use tracing and cutting activities to work on fine motor and pre-writing skills.

We will be celebrating Valentine’s Day on Tuesday February 14. The students can exchange valentine cards. There are 15 students in each class by then so please include a card for everyone. Unfortunately, we cannot allow any snacks to be brought in.

The value of the month is: Integrity.

The second quarter report cards and progress reports will be sent home this month
