“IF YOU GET A CHANCE, TAKE IT  
IF IT CHANGES YOUR LIFE, LET IT  
NOBODY SAID IT WOULD BE EASY  
THEY JUST PROMISED  
IT WOULD BE WORTH IT”

- Dr Seuss

This month we are celebrating Dr. Seuss. There are so many wonderful books to read. Most of our activities will be centered around Dr. Seuss books. We will also welcome the first day of Spring on Monday, March 20th. We will begin a Spring theme at the end of the month.

- We will continue to work on alphabet letters, rhyming words, prepositions and sentence structure, as well as receptive and expressive language skills.
- In math, we will continue with counting skills such as skip counting as well as patterns and simple addition and subtraction.
- Our value of the month is “Teamwork” This is an especially important value in our classroom as we work on developing social skills.
- Assessments are continuing daily using the Teaching Strategies Gold assessment curriculum.

As always, thank you for your continued support.
