## Our Weekly Learning

**ELA:** This month the Children will continue to give the corresponding sound when presented with the lowercase letters introduced and segment words with two and three phonemes (sounds). They will orally blend sounds to read cvc words and phrases. Tricky word identification and recognition (one, two, three and introducing words the, a, blue and yellow)

**MATH:** Classify objects into given categories; count the numbers of objects in each category and sort the categories by count Identify whether the number of objects in one group is greater than, less than, or equal to the number of objects in another group, Compare two numbers between 1 and 10 presented as written numerals We will be introducing the concept of addition to 5 shortly too 😊

## Donations accepted

This month we will be talking about Gingerbread and gingerbread houses. We will also be making a gingerbread house. If you'd like to donate any supplies to help out, anything would be greatly appreciated. Some helpful materials are: Graham Crackers, vanilla frosting, tubes of icing (white or colored), small candies, gumdrops just to name a few.  
Please email us if you wish to contribute so we don't have duplicates and we can plan accordingly.
